DIRECTORS' REPORT FOR THE YEAR ENDED 18 MARCH 2022

The Directors present their annual report together with the audited financial statements of Offaly Personal Assistant Services Company Limited by Guarantee t/a ("OPAS") for the year ended 18 March 2022. The Directors confirm that the annual report and financial statements of the company comply with the current statutory requirements, the requirements of the company's governing document and the provisions of the Statement of Recommended Practice (SORP) (second edition - October 2019), applicable to charities preparing their financial statements in accordance with the Financial Reporting Standard 102 ("FRS 102").

Objectives and activities

a. Policies and objectives

The Charity administers a Community Employment Scheme ("CES") where participants are upskilled to work as Personal Assistants in the community. The Charity is dedicated to supporting adults with physical and sensory disabilities by empowering and enabling them to achieve independent living, equality and inclusion in mainstream society.

There has been no change in the objectives of the Charity in the year.

b. Strategies for achieving objectives

The Charity enters into an annual service level agreement with the Department of Social Protection "DSP". This sets out the terms and conditions of the scheme. The Charity administers the scheme in accordance with DSP guidelines. The latest scheme ran from 14 March 2021 to 13 March 2022.

c. Activities undertaken to achieve objectives

The main activity of the Charity is the provision of adequate training and course materials to enable participants to gain the necessary skills and experience to work as personal assistants. The Charity enables the participants to work in the community and support the independent living requirements of people with physical or sensory disabilities in the community.

Achievements and performance

a. Key performance indicators

The Charity has identified key performance indicators, which are monitored by management and the Board of Directors on a periodic basis, and these are:

- Number of scheme participants
- Funding from Department of Social Protection
- Liquidity

These key performance indicators are reviewed on a monthly basis by management and discussed at each Board meeting.

FOR THE YEAR ENDED 18 MARCH 2022**

Achievements and performance (continued)

b. Review of activities

During the year, the Charity supported 11 participants on the Community Employment Scheme. The majority of funds were received from the Department of Social Protection. Training was made available to all participants in order to gain the necessary skills to enable them to work as personal assistants.

The results for the year are set out in the Statement of Financial Activities on page 11 of the financial statements.

Financial review

a. Going concern

After making appropriate enquiries, the Directors have a reasonable expectation that the Charity has adequate resources to continue in operational existence for the foreseeable future. The Charity funding, which it receives from DSP, falls short of its operational and day to day cost base. The funding shortfall is filled by contributions from Offaly Centre for Independent Living CLG ("OCIL"), which are expected to continue into the foreseeable future. The Board of OCIL have pledged ongoing support to the Charity to enable it to meet its short to medium term. For this reason the Directors continue to adopt the going concern basis in preparing the financial statements. Further details regarding the adoption of the going concern basis can be found in the accounting policies.

b. Results and performance

The Charity recorded neither a surplus or a deficit on ordinary activities in the year (2021: deficit of €591). The Charity reserves at the year end amounted to €Nil (2021: €Nil). All reserves are restricted for the continued use of future Community Employment Schemes.

c. Reserves policy

The operation of the Community Employment Scheme means the Charity does not build up any substantial reserves. The Charity's reserves of €Nil (2021: €Nil) relate solely to timing differences due to capital additions which are being written down over a period of eight years. All money held by, or due to the Charity is due to be spent on the Community Employment Scheme.

**DIRECTORS' REPORT (CONTINUED)
FOR THE YEAR ENDED 18 MARCH 2022**

d. Principal risks and uncertainties

The Charity's financial risk management objectives and policies involve identifying risks and opportunities across the Charity, assessing the potential impact of these risks and providing a method for addressing these impacts by either reducing threats to an acceptable level or achieving opportunities.

The principal risks and uncertainties facing the Charity are as follows:

1. Future funding and going concern

The Charity maintains a good relationship with the DSP, and submits an audited statement of income and expenditure each year. The 2022/23 funding has already been secured and the Charity is confident that the DSP will continue to support the Charity and its CES scheme for the foreseeable future. The Charity will also continue to get ongoing support from Offaly Centre for Independent Living CLG ("OCIL") as its sponsor.

2. Regulatory compliance

The Directors of the Charity are aware that non compliance with charity legislation such as the Charities Act 2009 and regulations overseen by the Charities Regulatory Authority would jeopardise the future of the Charity. To manage this risk, the Charity employs suitably qualified professionals, has appointed a highly skilled board of directors, and takes advice from experts in the Charity sector. The board are confident that these collectively assist to manage this risk.

3. Reputational risk

The charity sector has suffered as a result of financial misappropriations and scandals in the recent past. This may impact on the external fundraising activities of the Charity. The Charity mitigates this risk by complying with best governance procedures, strong board oversight and a strong control environment.

4. Data protection risk

The Charity receives and manages sensitive information in the course of its charitable activities. The Charity may be exposed to information technology security risks and cyber crime. In May 2018, the GDPR came into effect which has significant implications for how personal data is managed and protected. The Charity has retained external consultants to assist it with its ongoing compliance with GDPR. The Charity makes ongoing strategic and tactical efforts to address the evolving nature of cyber threats and the challenges posed, including the revision of internal practices and controls in this area.

5. COVID-19

The world continues to be impacted by Covid-19 which is resulting in illness and fatalities globally. The Directors do not consider this to bear a significant threat on the ability of Offaly Personal Assistant Services CLG to continue as a going concern. The Charity continues to enjoy the support of the DSP. This is expected to continue for the foreseeable future because the Charity provides essential services for adults with physical and learning disabilities living independently in the community. The Directors note that this pandemic will not impact the carrying value of fixed assets or other assets at year end or the ability of the Charity to continue as a going concern for the foreseeable future.

Structure, governance and management

a. Constitution

The Charity is registered as a charitable company limited by guarantee, not having a share capital and was set up and constituted under a Memorandum of Association.

The principal object of the Charity is to administer a Community Employment Scheme "CES" in parallel with the Department of Social Protection. Participants on the scheme undergo training as personal assistants for people with physical and sensory disabilities in the community.

b. Methods of appointment or election of Directors

The present directors who served during the year are listed on page 1.

The oversight of the Charity is the responsibility of the Board of Directors who are elected and co-opted under the terms of the Articles of Association and the management of the company is the responsibility of the Executive.

All Directors undertake an induction programme relevant to the operation of the Charity. This programme comprises the roles and responsibilities of Directors.

c. Organisational structure and decision-making policies

The Charity is governed by the Constitution, which charges the Chair and the Board of Directors, to make decisions at Board level regarding strategy in relation to the Charity. The Board met 4 times in 2022 (2021:3). The Directors have appointed a strategic leadership team and have delegated a range of day to day decision making powers to this strategic leadership team including the chief operations manager and scheme supervisors.

An agenda is prepared in advance of each Board meeting which covers reporting on all aspects of the Charity's activities since the last meeting, review of ongoing events and proposals for any future plans that are being examined. Any decisions that are reserved for the Board are made at the meeting, recorded in the minutes and acted on after the Board meeting.

The Board members are advised to avoid conflict between their personal interests, or the interests of any associated company or person, and their duties to the charity.

d. Related party relationships

Details of all related party transactions are noted in the notes to the financial statements.

Plans for future periods

The Charity's main target for 2022/23 is to continue to administer the Community Employment Scheme and is hoping to increase the number of participants while continuing to provide a top class personal assistant service to Leaders in the community.

The Directors are responsible for preparing the Directors' report and the financial statements in accordance with applicable law and Accounting Standards (Financial Reporting Standard 102).

Company law requires the Directors to prepare financial statements for each financial year. We are independent of the charitable company in accordance with the ethical requirements that are relevant to our audit of the financial statements in Ireland including the Ethical Standard issued by the Irish Auditing and Accounting Supervisory Authority (IAASA), and the provision available for small entities, in the circumstances set out in note 2 to the financial statements, and we have fulfilled our other ethical responsibilities in accordance with these requirements. Other Information

The other information comprises the information included in the Annual report other than the financial statements and our Auditors' report thereon. The Directors are responsible for the other information contained within the Annual report. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon. Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit, or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Opinion of other matters prescribed by the Companies Act 2014

Matters on which we are required to report by exception

Based on the knowledge and understanding of the charitable company and its environment obtained in the course of the audit, we have not identified material misstatement in the Directors' report.

The Companies Act 2014 requires us to report to you if, in our opinion, the disclosures of directors' remuneration and transactions required by sections 305 to 312 of the Act are not made. We have nothing to report in this regard.

Responsibilities of Directors for the financial statements

As explained more fully in the Directors' responsibilities statement, the Directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the Directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Directors are responsible for assessing the charitable company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Directors either intend to liquidate the charitable company or to cease operations, or have no realistic alternative but to do so.

Auditors' responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an Auditors' report that includes our opinion.

Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (Ireland) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the IAASA's website at: [https://www.iaasa.ie/Publications/ISA-700-\(Ireland\)](https://www.iaasa.ie/Publications/ISA-700-(Ireland)). The descriptions forms part of our Auditor's report.

Use of our report

This report is made solely to the charitable Company's members, as a body, in accordance with Section 391 of the Companies Act 2014. **NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 18 MARCH 2022**

1. Accounting policies

1.1 Basis of preparation of financial statements

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their financial statements in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (second edition - October 2019) - ("Charities SORP (FRS 102)"), the Financial Reporting Standard applicable in the UK and Republic of Ireland ("FRS 102") and the Companies Act 2014.

Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy.

The financial statements have been presented in Euro (€) which is the functional currency of the Charity.

1.2 Company status

The Charity is an Irish registered company limited by guarantee under part 18 of the Companies Act 2014 with a registered office at Clonminch, Tullamore, Co. Offaly under company number 431265. The members of the company are the Directors named on page 1. In the event of the Charity being wound up, the liability in respect of the guarantee is limited to €1 per member of the Charity.

1.3 Income

All income is recognised once the Company has entitlement to the income, it is probable that the income will be received and the amount of income receivable can be measured reliably.

1.4 Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources. Central staff costs are allocated on the basis of time spent, and depreciation charges allocated on the portion of the asset's use.

Expenditure on charitable activities is incurred on directly undertaking the activities which further the Company's objectives, as well as any associated support costs.

All expenditure is inclusive of irrecoverable VAT.

1.5 Going concern

At the time of approving the financial statements, the directors have a reasonable expectation that the company has adequate resources to continue in operational existence for the foreseeable future. Thus the directors continue to adopt the going concern basis of accounting in preparing the financial statements.

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 18 MARCH 2022**

1. Accounting policies (continued)

1.6 Debtors

Trade and other debtors are recognised at the settlement amount after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

1.7 Cash at bank and In hand

Cash at bank and in hand includes cash and short-term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

1.8 Liabilities and provisions

Liabilities are recognised when there is an obligation at the Balance sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably.

Liabilities are recognised at the amount that the Company anticipates it will pay to settle the debt or the amount it has received as advanced payments for the goods or services it must provide.

Provisions are measured at the best estimate of the amounts required to settle the obligation. Where the effect of the time value of money is material, the provision is based on the present value of those amounts, discounted at the pre-tax discount rate that reflects the risks specific to the liability. The unwinding of the discount is recognised in the Statement of financial activities as a finance cost.

1.9 Financial Instruments

The Company only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value with the exception of bank loans which are subsequently measured at amortised cost using the effective interest method.

1.10 Fund accounting

The Charity only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value with the exception of bank loans which are subsequently measured at amortised cost using the effective interest method.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 18 MARCH 2022

1. Accounting policies (continued)

1.11 Critical accounting estimates and areas of judgment

In the application of the company's accounting policies, the directors are required to make judgments, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised where the revision affects only that period, or in the period of the revision and future periods where the revision affects both current and future periods.

Critical judgments

The directors are of the view that there are no judgments (apart from those involving estimates) in applying their accounting policies that have had a significant effect on amounts recognised in the financial statements.

2. Provisions available for small entities

In common with many other charities of our size and nature, we use our auditors to assist with the preparation of the financial statements.
